Reasoning

Documented 6-month medical treatment abroad with 3 dependents. Income is stable on paper but treatment costs have driven temporary arrears. Recommendation: temporary hardship plan — hold installment at AED 4,000 (16.7% of income), defer arrears to maturity, reassess after 2026-11-30. Officer approval recommended because a medical supporting document is the basis of the relief.

الملخص والتوصية (بالعربية)

علاج طبي موثق في الخارج لمدة 6 أشهر مع وجود 3 معالين. الدخل مستقر على الورق لكن تكاليف العلاج تسببت في متأخرات مؤقتة. التوصية: خطة تعثر مؤقتة — تثبيت القسط عند 4,000 درهم (16.7٪ من الدخل) وتأجيل المتأخرات إلى نهاية المدة وإعادة التقييم بعد 30-11-2026. يوصى بموافقة الموظف لأن المستند الطبي الداعم هو أساس الإعفاء.

Officer Notes

Routed to a human officer. Officer to confirm the recommendation, adjust the plan if required, and record a final decision. Confidence and red-flag context are attached in the audit trail.
