Calculations Performed

- Deduction-cap arithmetic not applicable (income unknown/zero or blocked early).
- Period check: remaining 155 months vs original approved 300 months → within limit (PASS).
- Arrears coverage: AED 38,700 across 9 unpaid installments (282 days past due).
- Obligation-to-income ratio = total obligations / income = 10,000 / 23,000 = 43.5% (within range).
