Fraud / inconsistency	Not Applicable	Insufficient data to evaluate.

Calculations Performed

- Deduction-cap arithmetic not applicable (income unknown/zero or blocked early).
- Period check: remaining 145 months vs original approved 300 months → within limit (PASS).
- Arrears coverage: AED 19,500 across 5 unpaid installments (160 days past due).

Explainability statement

This audit trail is generated for transparency and assurance. Every decision is traceable to a rule, a data source and a calculation.
